Ways To Play

If you are anything like our family, then you probably love games! I created this fun game out of necessity for staying indoors. Its my version of I-Spy kicked up a notch. This version has different ways to play:

1. Basic I-Spy- Hunt for the items as a group or individual.
2. I-Spy Bonus Point Style- Some of the cards have challenges, or ways for you to earn a bonus point, some take a little bit of time and can turn into something else entirely. Don't be afraid to be silly, have some fun with it!
3. I-Spy Speedster Style- Break off into groups/players and pass out cards evenly to each group/player. Set a timer and see who can collect/hunt for their items the fastest!
4. Create your own!- Included are a set of blank cards for you to write in your own creative ideas! Be creative and get moving!

*I hope you and your family enjoys this
as much as we do!*
